WELCOME

Happy New Year fellow Ravens! This is the first edition of the new Corvarian Quarterly. Your Newsletter that will go through bits of information about what's going on in our fair Shire! As your Chronicler, I wanted to make sure we reach out to our members and update them as to what's going on. In the Quarterly You'll see Upcoming Events - which will list what events are coming up including revels, a&s, etc. CAW - Which will give updates when possible about good news for our shire mates either in their SCA life or Modern life. New Raven's will be a way to see new members or members who have moved into our Shire. Then Officer Contacts will be name, position, and email address for the officers of the shire. As time goes, there may be new things added, and headings may change depending on information to share! I hope that our 2018 will be filled with JOY, PROSPERITY, LOVE, and LAUGHTER for all!
